I'd Listen to My Parents If They'd Just Shut Up

For some, one of the most convincing reasons to listen to your parents is simply the fact that your parents - that's right, your uptight, ancient, overprotective parents - were teens once too! They did or watched their friends do all of the things they won't let you do now, so you can know their rules come from a knowledgeable source.

7 Reasons to Listen to Your Parents ...

At the end of the day, I'm learning to do things for me and so my advice to you would be to listen to your parents advice and make your choice but make sure that you think it is the best choice and that you won't fall flat on your face so that they can say I told you so.
