Incest: From "A Journal of Love" -The Unexpurgated Diary ...

ABSTRACTSexual abuse perpetrated by a parent particularly the mother creates turmoil in the child who has to depend on the very person who betrays their trust. A review of the literature confirms that there are only a few case studies of mother-child incest reported in the psychoanalytic literature; the incidence of such incest, however, is unknown.

Mother-child incest, psychosis, and the dynamics of ...

Incest: From "A Journal of Love": The Unexpurgated Diary of Anais Nin, 1932-1934. In its raw exposure of a woman's struggle to come to terms with herself, to find salvation in the very act of writing, Incest unveils an Anais Nin without masks and secrets, yet in the end still mysterious, perhaps inexplicable.

Incest: From "A Journal of Love": The Unexpurgated Diary ...

Abstract. Parsons has popularized the myth that mother-son incest is the most damaging form of incest. A review of sixteen cases casts doubts on this belief. It was found that responses to this type of incest are multi-dimensional, representing an extraordinary range of behavior not foreseen by Parsons.

The effects of mother-son incest | SpringerLink

Introduction. Incest usually occurs in the form of the little girl in the family to be abused by an older male family member for the purpose of sexual satisfaction. Unlike the more common incest cases, in our case there is a mutually consented incestuous relationship between two siblings who are very close in age.

Case of sibling incest resulting in pregnancy - ScienceDirect

The Biological Cost of Incest. Incest between first degree relatives, however, was a different story. The researchers examined four studies (including the Czech research) on the effects of first degree incest on the health of the offspring. Forty percent of the children were born with either autosomal recessive disorders,...

The Problem With Incest | Psychology Today

Incest /'Insest/ is sexual activity between family members or close relatives. This typically includes sexual activity between people in a consanguineous relationship (blood relations), and sometimes those related by affinity, stepfamily, those related by adoption or marriage, or members of the same clan or lineage.

Incest - Wikipedia

WHILE FATHER-DAUGHTER incest is known to have serious consequences for adult survivors, sibling incest (sibling incest will refer to brother-sister incest only), has, in spite of studies to the contrary, been seen as less harmful. Our sample population yielded 23% (14 women out of 62) sibling incest survivors.

Brother-sister incest—father-daughter incest: a comparison ...

The treatment of incest victims is often painful and difficult. With patience, the vast majority of those who have experienced incest can experience considerable improvement and enjoy an enhanced quality of life without succumbing to repeated victimization.

Ramifications of Incest | Psychiatric Times

During the past 20 to 30 years, professionals have given increased attention to intrafamilial incest, primarily addressing father-daughter incest. More recently, sibling incest, a type of intrafamilial incest, has received notice from mental health professionals; however, many professionals still do not recognize the seriousness of the problem.
