Didn't know Ducati did it; that's pretty cool. I see your point, but I am very much not pro and not in the industry. I won the US ultimate race, and the majority (though you're right, not all, which was frustrating for all of us average joes who were there) of the 50 people entered were also not pro ...

Georgism, also called geoism and single tax (archaic), is an economic ideology holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist paradigm ...
