A Maze Of Death Philip

A Maze of Death is a 1970 science fiction novel by Philip K. Dick. Like many of Dick's novels, it portrays what appears to be a drab and harsh off-world human colony and explores the difference between reality and perception. It is, however, one of his few to examine the human death instinct and capacity for murder and is one of his darkest novels.

A Maze of Death - Wikipedia

A Maze of Death. Delmak-O is a dangerous planet. Though there are only fourteen citizens, no one can trust anyone else and death can strike at any moment. The planet is vast and largely unexplored, populated mostly by gelatinous cube-shaped beings that give cryptic advice in the form of anagrams.

Book Review - A Maze of Death by Philip K Dick. A Maze of Death is the kind of book that seems initially appealing but doesn't stand up to subsequent readings. When I first read this in 2000, I was impressed and even exhilarated by the breckneck pace of the plot and the multitude of twists and turns along the way. I especially liked the ending.
