Read the rest of the Repairman Jack novels and then read the Adversary Cycle (though be forewarned that he will be 'updating' these books for future print editions). As for non-RJ/AC books, I like The Select, Black Wind, Nightkill, and Soft and Others (short stories) the best. Don't get me wrong, they are all GREAT!

Another good Repairman Jack story While not my favorite Repairman Jack novel, I feel that it was still well worth a listen. Jack is still portrayed as a larger than life hero, however this time deals with a less outlandish subject matter. While I was not as satisfied with the overall concept, it was still a gripping story.
