Holy Shit : Gene Logsdon : 9781603582513 - Book Depository

Not until I was well into writing my new book, Holy Shit: Managing Manure To Save Mankind, which is about how to manage manure for soil enrichment, did I realize that cats, dogs and horses are a very significant source of valuable fertilizer that we are mostly throwing away. Or, as our friends' cat, Django, indicates in the photo above, flushing it down the toilet.
