Hence the need to phone ahead and check! If I was in one village and debating whether to continue on or to find a place in the next village or town, I would call up the albergue in the next village and ask if they had a bed for that night.

### **A Bed for the night | Camino de Santiago Forum**

David Rieff's *A Bed for the Night: Humanitarianism in Crisis* is an emotionally raw and deeply personal argument that humanitarian organizations must be free from the constraints of the demands of donor governments and the broader ideological concerns of the human rights or "good governance" movements.
