Books similar to A History of Knowledge: Past, Present ...

The history of the world is the memory of the past experience of Homo sapiens sapiens around the world, as that experience has been preserved, largely in written records. By "prehistory", historians mean the recovery of knowledge of the past in an area where no written records exist, or where the writing of a culture is not understood.

History - Wikipedia

The only way we can have knowledge of the past is through studying the relics and traces left by past societies, the primary sources. Primary sources, as it were, form the basic "raw material" of history; they are sources which came into existence within the period being investigated.
