I remember first trying to read In the Ocean of Night back in 1978-ish when I was just a wee lad still wide eyed from being exposed to the amazing and ground breaking Star Wars movie. The wellspring of science fiction was washing over me at the time, and I had to have more. Note that I said I tried to read In the Ocean of Night, because it never happened.

Review: In the Ocean of Night by Gregory Benford

Cars drive off the country road into the meadow, a group of young people get out carrying bottles, baskets of food, transistor radios, and cameras. They light fires, pitch tents, turn on the music. In the morning they leave. The animals, birds, and insects that watched in horror through the long night creep out from their hiding places.
