How to Meditate by Sharon Salzberg (2002-03-04) ... This is an absolutely fantastic meditation kit.
The spiral bound book looks like it would be boring - but I couldn't put it down. The stories the
quotes...everything is so clear.

The something was the Insight Meditation Kit. I found the advantages of CD tuition easier to help
build concentration and to know where to focus my efforts into the practice. Unknown to me at the
time was the close link between meditation and Buddhism. The book and cards included in the kit
give you information on meditation and Buddhism.
