The only thing the writers in this book have in common is that they've exchanged sex for money. They're PhDs and dropouts, soccer moms and jailbirds, \$2,500-a-night call girls and \$10 crack hos, and everything in between. This anthology lends a voice to an underrepresented population that is simulta...

There are substantial differences in rates of victimization between street prostitutes and indoor prostitutes who work as escorts, call girls, or in brothels and massage parlors. Violence against male prostitutes is less common. Prostitution may sometimes be associated with illegal, abusive, and dangerous activities.
