A Forest Of Stars. England, UK. 120 years before our age, there is a Gentlemen's Club of A Forest Of Stars, an exclusive brotherhood of Victorian Englishmen who consider themselves representatives of their era, an era as glorious and splendid as it is decadent. This collective finds its musical expression in hypnotic and ghostly Black Metal, expertly streaked with elements of Ambient and ...

Forest of stars. A forest of stars is a set of star worlds whose adjacency matrix is a tree. This means that no intersecting star worlds create a cycle, or hole, in the overall space. If an object or space can be represented by a forest of stars, it can be mapped onto a sphere-world by mapping each star world onto the boundary...
