I chose to die is the first novel by Ksenia Anské and definitely piques my interest in regards to the rest of this series and her other work. That said, I think I can easily say that this book has four

aspects for me that I enjoy in varying degrees. 1. The concept. The idea that is the foundation of the Siren Suicides is downright brilliant.

I chose to die in the bathroom because it's the only room in the house I can lock. Besides, water calms me, and I have to be calm to pull the plug on my life. Nothing would irritate my father more than finding the fully clothed corpse of his sixteen-year-old daughter on the morning of her birthday, floating in his beloved

Subject matter aside, I found I Chose to Die fascinating. It was not what I expected, and perhaps one of the few book I liked for the writing style more than for the story itself. I am sorry I let this one sit on my "To Be Read" pile for so long.
