3. Life Goes On. Here it is: The granddaddy of all cliché career lessons. When you've failed at something—particularly something that you really, desperately wanted—it's all too easy to picture the entire world crumbling down around you like a scene from Independence Day. This is it. You'll never get past this.

The thing with wisdom, and often with life lessons in general, is that they're learned in retrospect, long after we needed them. The good news is that other people can benefit from our experiences and the lessons we've learned. Some life lessons people should learn early on 1. Money will NEVER solve your real problems

### **10 Life Lessons People Should Learn Before They Turn 30**

I take a different approach: sprinkle mini-retirements throughout your life while you're on the road to an early retirement. Retire both early and often. Work/life isn't a marathon, it's a series of sprints. I believe in creating a work/life model that's based around sprinting, strolling, sprinting, strolling.
