Yes, I know that yesterday was Monday. But, I'm reaching that point in the semester where I am in deep need of motivation and inspiration. So, I figured I should compile a new volume of Monday Must Reads - a weekly-ish round-up of Twitter awesomeness to get my brain running with new ideas.

**Math = Love**

I like how you mixed in systems of equations and inequalities problems together (and even an absolute value- nice!) I also love the arrows on the inequalities to help students figure out where to shade.

Critical thinking is one of the most important skills our children should be learning and practicing in school. As information becomes more prolific and available, it is crucial for individuals to learn how to parse through the information available to form reasoned, well-thought-out conclusions and judgments.
