The American education system offers a rich field of choices for international students. There is such an array of schools, programs and locations that the choices may overwhelm students, even those from the U.S. As you begin your school search, it's important to familiarize yourself with the American education system. Understanding the system will help you narrow your choices and develop ...

Understanding the American Education System

Every child has the right to an education. Education transforms lives and breaks the cycle of poverty that traps so many children. Education for girls is particularly important — an educated mother will make sure her own children go to, and stay in, school. With UNICEF's help, there are now 100 ...

Right to Education and Schools | UNICEF USA

What is education? Is it different from schooling? In this piece Mark K Smith explores the meaning of education and suggests it is a process of inviting truth and possibility. It can be defined as the wise, hopeful and respectful cultivation of learning undertaken in the belief that all should have the chance to share in life.
