review 1: I have a guy friend who secretly but not discreetly likes me, and when I came across this book, I couldn't help but buy it in an effort to figure out what to do with my friend. This book would've been good whether Xeira ended up with Kyle or Chris. I'm sure there would've been an explanation for either, so there's really no way this book could turn out bad.As with Wattpad ...

548 Heartbeats (2000) About book: My friend recommended me this book, saying that it was good. Much to my dismay, this one is so typical that I can't wait to reach the end and hide it somewhere. The story was too fast-paced that it didn't made me think or feel anything at all, which is very bad because this is supposed to be a "romance" story.
