If only the walls could talk, what would they say? In my introductory post of Westfalcon Farm I mentioned that one of the things that had an impact on my mother the first time she saw the old family farm was the many etchings on the bricks inside the old separator room in the barn. Well, let's just say that since that first trip up to the farm years ago, the family has discovered many more ...

If only I could talk (self.shortscarystories) submitted 4 months ago by maxistea. My family adopted me and my sister, when I was one. I was a mute but my sister wasn't. I knew my parents liked my sister more than me, they pampered her and she got anything she wanted. I kind of accepted it though but it doesn't bother me anymore.

If only I could talk... I'd tell them there is no reason to feel guilty. I know they're doing this for me. Because they don't want me to suffer. I'd tell them I don't want to either. I'd tell them I'm actually glad that they have enough respect for me to do this. The needle doesn't hurt. I only feel a small sting and my body relaxes.
