Nearly every country and territory in the world participated in World War II. Most were neutral at the beginning, but only a few nations remained neutral to the end. The Second World War pitted two alliances against each other, the Axis powers and the Allied powers. The leading Axis powers were Nazi Germany, the Kingdom of Italy and the Empire of Japan; while the United Kingdom, the United ...

Algeria, large, predominantly Muslim country of North Africa. From the Mediterranean coast, along which most of its people live, Algeria extends southward deep into the heart of the Sahara, a forbidding desert where the Earth's hottest surface temperatures have been recorded and which constitutes more than four-fifths of the country's area. The Sahara and its extreme climate dominate the ...
