Those states are the "lonely place" Hughes refers to in her title, the moods of resentment, longing, paranoia, jealousy, and rage that her protagonist, the serial strangler Dix Steele, exists in. The implicit topic of In a Lonely Place is misogyny, but Hughes's novel is one in which a serial killer of women is far weaker than the women he kills.

#### **In a Lonely Place - The Barnes & Noble Review**

The name "Dorothy B. Hughes" may not be one that elicits immediate recognition from casual readers of noir fiction, though that should change with the release of a new edition of her much acclaimed novel (and basis for the eponymous Humphrey Bogart film) In a Lonely Place. For modern readers, noir is a genre that brings to mind certain tropes, namely the "damsel in distress" — a time ...
