This text, which pioneered the brief format for this subject, provides a comprehensive view of the development of Western civilization in half the pages of other texts on this subject. Not simply an abridgement of a longer book, this text offers students in survey courses a concise, lucid narrative.

A Brief History of the Western World by Thomas H. Greer

A History of Western Philosophy is a 1945 book by philosopher Bertrand Russell. A survey of Western philosophy from the pre-Socratic philosophers to the early 20th century, it was criticised for Russell's over-generalization and omissions, particularly from the post-Cartesian period, but nevertheless became a popular and commercial success, and has remained in print from its first publication.

A History of Western Philosophy - Wikipedia

Outline of the history of Western civilization. From its European and Mediterranean origins, Western civilization has spread to produce the dominant cultures of modern North America, South America, and much of Oceania, and has had immense global influence in recent centuries.

Outline of the history of Western civilization - Wikipedia

History has proven that much of the music from this era, referred to by some as country's disco era, was quite disposable. However, a number of notable artists did emerge during this dark period to forge wonderful careers, including Alabama, George Strait , Reba McEntire, and Steve Wariner.
