A note about Germany: While the education system in English-speaking countries at least offers the distinction between computer science and software engineering, the German education system almost exclusively talks about "Informatik" (information science) meaning the science of systematic information processing.

Don't confuse Computer Science with Software Engineering ...

Cinema 4D Render-Node or Rendering Workstation / Best Computer or Workstation for 3D Rendering. Now, let's take a look at what the best PC configuration for 3D Rendering would be. If you are looking for fastest CPU-render-speed the Processor configuration will have to go into a different direction, namely:. The maximum number of CPU Cores.

Best Cinema 4D PC Workstation Computer - CG Director

The biases and weights in the Network object are all initialized randomly, using the Numpy `np.random.randn` function to generate Gaussian distributions with mean \$0\$ and standard deviation \$1\$. This random initialization gives our stochastic gradient descent algorithm a place to start from. In later chapters we'll find better ways of initializing the weights and biases, but this will do for now.
