How the west was lost

What made the West 'western'? And has Western civilisation found modernity but lost itself? This provocative and stimulating polemic argues that the modern world has destroyed western culture and civilisation without gaining anything in return, leaving contemporary man with a spiritual and cultural gap that no amount of material wealth can fill.

How the West Was Lost by Dambisa Moyo - Goodreads

How the West Was Lost is divided into two parts. The first covers the past fifty years and how the West (i.e. basically the US) has gotten itself into the situation it finds itself in; the second looks at the present day and what the options and possibilities for the future are.

How the West Was Lost - Dambisa Moyo - Complete Review

In other words, the act of looking at "how the West was won" becomes, for the Coens, a means of understanding how it was lost. The fatalism and mortality that pervade The Ballad of Buster Scruggs has more in common with the macabre churnings of Edgar Allan Poe and Herman Melville than Louis L'Amour. In each story, idealism — the rigid ...
