Preview For ACS-Sandardized Final Exam 1. 70 Multiple Choice questions. Each has four possible answers. 2. Scoring is based on correct answers. If you don't know the answer, it pays to guess. It especially pays to rule out one or two obviously incorrect answers, even if you aren't sure about which answer is actually correct. 3.

### Preview For ACS-Sandardized Final Exam

The key is that you need to approach the practice exam as if it were an actual exam – not trying to look up answers you don't know right away, but rather practice answering the questions just like you would during the test itself. In addition, you need to try to make your best judgement on how hard you think each item is.
