The attitude you've adopted towards the answer key to the holt 7th grade mathematics book is not the right one. I do understand that one can't really think of something else in such a situation. Its nice that you still want to try. My key to successful equation solving is Algebrator I would advise you to give it a try at least once.

This book has a daily reading project with a follow-up page of questions to make the student think about the lesson. When my daughter is stumped on the question, the answers are in the back. I encourage her to write out what she thinks the answer is, but when it is wrong, we do follow up research on the internet.
