Husband and Wife book by Leah Stewart - ThriftBooks

review 1: I wish I could give this book 3 stars for the story and five stars for the spot-on depiction of married life and parenting. This is a story about a woman whose husband admits that the book he is writing about infidelity is actually partially true. The rest of the book deals with the consequences of this for them and their two young children and how the wife will ultimately respond to ...

DOWNLOAD | READ Husband and Wife (2010) by Leah Stewart in ...

Husband and Wife by Leah Stewart is a richly satisfying read about marriage, identity and fidelity. I'm thrilled that Leah offered to answer my nosy questions. (Thank you, Leah!) Husband and Wife focuses on one of my favorite personal themes, how well do we really know the ones we love? Would you care to answer that?

What disappointed you about Husband and Wife? I read The Myth of Me & You, Leah Stewart's first novel and couldn't wait for her to publish her next. Every time I logged in I searched under author's name. Finally came the day when her next book arrived. I was more than disappointed. What happend? Her first book was so thought provoking and real.
