How To Fall In Love

To fall in love and find the right person you must first have confidence and love invested in yourself. People with self-confidence tend to have happier and longer lasting relationships than those who don't. It might seem hard to suddenly start loving yourself, but it's an important component of a strong relationship.

To Fall in Love With Anyone, Do ThisTo Fall in Love With Anyone, Do This. So it was with the eye, which is not a window to anything but rather a clump of very useful cells. The sentiment associated with the eye fell away and I was struck by its astounding biological reality: the spherical nature of the eyeball, the visible musculature of the iris and the smooth wet glass of the cornea. It was strange and exquisite.
