The love between a mother and her daughter is special. A mother takes her daughter under her wing and teaches her how to be a woman. In order to do this, you have to ask yourself what it means to be a woman of today. How do you balance care for others with your own quest for meaning and joy in life and how do you pass on these lessons to your daughter?

A short story cycle (sometimes referred to as a story sequence or composite novel) is a collection of short stories in which the narratives are specifically composed and arranged with the goal of creating an enhanced or different experience when reading the group as a whole as opposed to its individual parts. Short story cycles are different from novels because the parts that would make up the ...

Names are constantly moving up and down the popularity list. These days, the trend of using old-fashioned names is running strong. Parents are using "old lady" names more and more—not out of obligation but because many formerly out-of-date names, like Emma, are coming back around and sounding fresh and pretty to today's young parents.
