Intentional (Intentional Series) (Volume 1): MK Harkins ...

Intentional is an incredible read. First, I felt like I was right there, but not like with most books. With others you are there with a main character and you go through the journey with them and feel with them etc. etc. With Intentional, the Author MK Harkins, takes you on a much deeper, more fulfilling ride.

Intentional (Intentional #1) by M.K. Harkins - Goodreads

Intentional (Intentional Series Book 1) by MK Harkins 5 Stars This is my second book by this author and I loved it. I'll be honest at the beginning it felt different, everything seemed to happen so fast but then when the "event" happened I realized why everything happened the way it did.

Intentional by MK Harkins, Paperback | Barnes & Noble®

Intentional (Intentional Series Book 1) by MK Harkins is a romance with a twist and is quick and fast paced but enjoyable read where betrayal is the name of the game. I knew something was building and lurking in the background but I was unable to work it out. MK's writing is simple but packs a punch in just the right places.
