If It Ain't Love eBook by Tamara Allen - 9781301366149 ...

~4.25~ This is the first Tamara Allen book I've read, and I'm impressed with the quality of the writing. Set during the American Great Depression of the 1930s, If It Ain't Love is at once hopeless and HOPEFUL. Beautifully written, evocative, and historically accurate without being pedantic, this short story packs an emotional punch in under 40 pages.

I thought I would have a quick read before bed, so I opened this e-book with the expectation of reading a few pages and literally couldn't put it down until I was finished. It's been a while since I sat down and read a story that was a pure five star read for me, but If It Ain't Love hit the spot perfectly.

AJ Love is a new author to me, and now I'm wondering how I managed to not have read her books before. This Ain't Love was so freaking funny, my ribs are aching from laughing so much. She knows how to write some great characters with fully fleshed personalities and some with a crazy sense of humor.
