### **Paint Is Dead**

How To Paint A Dead Man comprises four loosely connected stories, each featuring a different artist as protagonist, one clearly modelled on Giorgio Morandi. Hall writes from deep inside her character's psyches, the prose full-blooded yet pensive, her subject the powers and pains of the creative process.

I wanted to try something different when painting my Warriors of the Dead, rather than just spraying them Corax White and giving them a wash. I had a quick chat with our resident painter extraordinaire, Pedro Wieglus, to come up with a paint scheme and he suggested using an airbrush to get the ghostly green effect I was after.

Gray-Layer, Oil Painting Techniques also known as the "Dead Layer". The photo below shows how to mix your black. Using 2 parts black, 1 part burnt umber (for drying enhancement) and 1/8 part ultramarine blue (for deepening your black). Now that you have your black mixed. Use it to create your other gray tones. See the Palette for an example.

Like so many others, I got myself a copy of The Walking Dead: All Out War. The models look nice and the game play looks reasonable. After I get a few games in, I will provide a more complete opinion of the game and its mechanics. I have started to paint the models and find them to be full of character.

By Carrie Lewis in Art Tutorials > Painting Tutorials Today I'll be continues my current series exploring the Flemish method of painting. In my first article, I demonstrated how to draw the composition, ink it, and add the imprimatura layer. My second article described painting the umber layers. The next step in the Flemish method is the dead layer, which is our topic for today.

### **Exploring The Flemish Method, Part 3: Painting the Dead ...**

In How to Paint a Dead Man, Hall's ambition is still very much alive, yet less effective. How to Paint a Dead Man weaves together four different stories: a photographer coping with the loss of her twin brother, a quirky landscape artist in a dangerous situation, a dying man who paints bottles in seclusion, and a blind girl.

I'd been thinking about painting it. Yesterday, I got out my collection of pints of leftover house paint, found a few compatible colors, and went to work. I'd have been just as likely to paint the tree in shades of red but it was blues that came to hand first. A dead crape myrtle skeleton, painted in leftover housepaints.
