To be a Better Man? Better than what, than who? What does it mean to be a man in the first place? My personal journey toward manhood started when I was very young. In that one very special moment, before I could even talk, when I realized that I was male. That I was more like my dad than my mom. That moment, even though I can't remember it specifically, was pivotal and would chart the ...

To Be A Better Man? - Being A Better Man

Men are not better than women and women are not better than men. Yes, there are things that men may do better than women or that women may do better than men, but we're all just genders of the same species and we are not defined by these genders. Is a man better than a woman simply because he was born with a penis instead of a vagina?
