His book is a historical journey which includes all levels of society from the royal family to plantation slaves, revolution, and the afternoon ritual.

A Brief History of Tea by Roy Moxham - Goodreads

A Brief History of Tea The origins of tea are steeped in legend (sorry.) and hard to trace. The written characters used in ancient Chinese texts have evolved with the ages in both meaning and form, so modern scholars do a lot of guessing when determining whether ancient texts are actually referencing tea or something else entirely.

A Brief History of Tea - everythingherbs.com

Many centuries after tea's discovery, a famous Chinese tea expert named Lu Yu wrote an important treatise entitled Cha Ching, or The Tea Classic. In this timeless work of literature, Lu Yu set down a series of guidelines for enjoying tea with friends in a dignified, harmonious and richly creative atmosphere.

A Brief History of Tea - My Tea Planner

The history of tea like many ancient traditions is surrounded by myth. There are several popular legends that have survived and one of my favorites comes from Chan Buddhism. According to this legend, the monk Bodhidharma traveled from India to share his message about the Buddha. Upon arriving at the Shaolin Temple however they refused...

A Brief History of Tea - Tea Gong-Go!

A Brief History of Tea According to legend, tea was first discovered in China over 4,000 years ago by Emperor Nun Shen. One day, whilst visiting the far regions of his realm, he and his servants stopped to boil some water over a fire.

A Brief History of Tea - The Coffee Company

A brief history of tea makers. Tea consumption soon spread to all corners of the globe, and with it came the urgent need for tea making methods to evolve. While there have been many methods and equipment to brew tea, the long process of discovery seems to have taught us that the ancient methods were indeed the best ones.
