More marijuana moonbeams from reefer-brained Lipsyte (The Subject Steve, 2001, etc.). While not quite as densely smacked as William S. Burroughs's druggy vaudeville Naked Lunch, this doesn't fall all that short. Many who enter will soon find themselves tripping over phrases and sentences so dishearteningly opaque that deconstructing the narrator's glancing shots at originality will become ...

The Department of Homeland Security has a vital mission: to secure the nation from the many threats we face. This requires the dedication of more than 230,000 employees in jobs that range from aviation and border security to emergency response, from cybersecurity analyst to chemical facility inspector. Our duties are wide-ranging, but our goal is clear: keeping America safe.
