What you do both before and after a Kaizen event plays a big part in determining how successful the event will be and how long the impact will last. What to do After a Kaizen Event so Improvement Doesn't End

What to do After a Kaizen Event so Improvement Doesn't End

Every event planner must have a checklist. To avoid stress later, create and manage different lists including a post-event checklist. The more you get done before, the less stress you will feel during and after the event. If you need to take a flight for your event, plan to arrive a day early.

Tips for Reducing Stress Before, During and After an Event ...

This is specifically why Zen Habits says that when decompressing after a high-stress event, the key is to disconnect from the outside world. Meaning, your smartphone will serve you better in the 'off' position -at least for the next 5 hours of naptime REM goodness! #1 - Go Home and Celebrate!

5 Things #EventProfs Can Do to Relax after The Event is Over

javascript: Possible to add event handler that runs after the default behavior? How to catch event after default action was performed in JavaScript. I have read these but they are dealing with keystroke events solved with using a variation such as keyup over keypress. The only other solution I have seen is the setTimeout() method.

Javascript event handler to execute after default behavior ...

Two events are observed in a frame of reference S to occur at the same space point, with the second event occurring after a time of 1.70 s. In a second frame S' moving relative to S, the second event is observed to occur after a time of 2.25 s. What is the difference Delta X between the positions of the two events as measured in S'?

Time is Relative? | Yahoo Answers

After the adrenalin and excitement of the event itself, taking care of the post-event details can be tiresome and if you are not careful it will drag on for weeks and even months. To prevent post-event fatigue it is important to schedule and plan all these activities as rigorously as you do the event itself.
