Introduction to the practice of mindfulness. It is the practice of dwelling happily in the present moment. We are no longer grasping at the future, regretting the past or being swept by our feelings of despair and anger. We have arrived at our true home, our true self, no longer seeking to be something else.

Introduction to the practice of mindfulness - Deer Park ...

Introduction to the Practice of Statistics. There are data sets on the CD too, including a few extra chapters, which seem to do better on the explaining side of things than the book itself. And the book can of course be also used as a work of reference by those already somewhat educated in statistics, since it has a very clear layout,...
