The Indo-Europeans: In Search of the Homeland. Research has long since established that the civilisations of Europe, Persia, and India are linked, linguistically and culturally, dating back to some point in prehistory that has been lost to human memory. Many scholars have postulated that there was a primordial Indo-European civilisation...

In Search of the Real Indo-Pacific. In the plenaries and the panels, in the Q&As, corridors, and coffee breaks, not even the imminent Trump-Kim summit hosted by Singapore could compete with the "Indo-Pacific" among the attendees. Although the toponym itself is old, its sudden popularity is new, reflecting new geopolitical aspirations for the region.

The Trundholm sun chariot. The chariot pulling the sun is a common Indo-European mythological motif. Since I reference the Indo-Europeans and Proto-Indo-Europeans in several articles on this site, I figured it would be helpful to provide a brief overview of who these people were and why they matter, both in general and in the specific context of understanding the pre-Christian mythology and ...

The Proto-Indo-Europeans were hypothetical prehistoric people of Eurasia who spoke Proto-Indo-European (PIE), the ancestor of the Indo-European languages according to linguistic reconstruction. Knowledge of them comes chiefly from that linguistic reconstruction, along with material evidence from archaeology and archaeogenetics .
