Simone de Beauvoir is one of these belatedly acknowledged philosophers. Identifying herself as an author rather than as a philosopher and calling herself the midwife of Sartre's existential ethics rather than a thinker in her own right, Beauvoir's place in philosophy had to be won against her word. That place is now uncontested.

Simone de Beauvoir was deeply flawed as a person. Her relationship with Sartre is interesting to say the least and disturbing if one must say anything more about it. This show took the tack of saying the least and that is the first part of the elephant I would touch upon. De Beauvoir was a sexual predator of a selective cadre of her students.
