Peter Ferdinand Drucker (/ ˈ d r ʌ k ər /; German: ; November 19, 1909 – November 11, 2005) was an Austrian-born American management consultant, educator, and author, whose writings contributed to the philosophical and practical foundations of the modern business corporation. He was also a leader in the development of management education, he invented the concept known as management by ...

Peter Drucker - Wikipedia

Peter F. Drucker crossed many boundaries as a writer, teacher, management consultant and business visionary. He's been called "the inventor of modern management" for good reason. He believed in business as a human-driven enterprise that could be profitable and socially responsible. Dr. Drucker radically expanded the concept of management to include a focus on how [...]

Peter F. Drucker - Claremont Graduate University

1. Profile Peter F. Drucker was a writer, professor, management consultant and self-described "social ecologist," who explored the way human beings organize themselves and interact much the way an ecologist would observe and analyze the biological world.

Peter Drucker - management

Prior to founding Lake Whillans, Boaz was Director of Underwriting at BlackRobe Capital Partners. He previously was a litigator at Cleary Gottlieb, where he represented financial institutions and major corporations in complex commercial litigations and arbitrations, and Bernstein Litowitz Berger & Grossmann, where he represented investors in high-profile securities class action litigations.
