Above Leah Bobet

Leah Bobet's Above has amazing cover art, and I'd be lying if I said that that didn't influence my decision to add it to my wish list. But adding a book to my list doesn't necessarily mean I'll buy it. What tipped the scale was a positive mention by one of the book bloggers I trust for quality young adult and middle grade sci-fi and ...

Amazon.com: Above (9780545296700): Leah Bobet: Books

This book is the perfect example of a well-done, bittersweet story. It's not a romance in a happy ever after sense, but despite the pain in the story, it left me feeling uplifted, not depressed, and it left me with a wonderful image of truly selfless love. Above is about a teenager, named Matthew ...
