Insight Kindle Edition Polly Iyer

Intriguing romantic suspense with appealing characters and many plot twists along the way, Polly Iyer's INSIGHT is a gripping page-turner. I especially enjoyed the first half of the story, where the focus is on the relationship of two people who struggle with tragedies and injuries (she's been blinded, he's been deafened) that have shattered the lives they once led.

The most unique aspect of this suspense mystery by Polly Iyer is the pairing of a blind therapist with a recently-deafened cop, something Iyer does well. She shows their individual strengths and weaknesses, adds the elements of their respective disabilities, and makes it work. Iyer gets it right on all fronts.

Hooked is the first of Polly Iyer's books that I've read, but it won't be the last. Great plot, likeable well rounded characters, plenty of twists, and best of all good grammar and no typos. The sex scenes are pretty interesting too, without being too sordid they are even amusing at times. Loved the book.
