It has been a while since I published a long article, and I have been working for many hours on this follow-up to the August article, Why I Am No Longer a Lightworker. That piece generated a lot of positive responses, as well as tremendous resistance and scorn from those within the New (c)Age movement who are heavily invested in the illusions of the false light.

Ever felt misjudged by a doctor? Or treated unfairly by a clinic or hospital? You may be a victim of patient profiling. Patient profiling is the practice of regarding particular patients as more likely to have certain behaviors or illnesses based on their appearance, race, gender, financial status, or other observable characteristics.
