Government In America, 15th Edition - APGovReview.com

Government and the State Over the course of human history, the state has emerged as the dominant political unit in the world. State –a body of people, living in a defined territory, organized politically with a government, and with the power to make and enforce law without the consent of any higher authority.

Unit 1 Foundations of American Government

The Senate tries government officials who have been impeached, but it does not itself impeach government officials (that is a power the House of Representatives has). This eliminates option A. Options C and D each describes a power the Senate has, but a power it shares with the House of Representatives (as opposed to a power the Senate alone has).
