A first impression of John E. Wills Jr.'s 1688: A Global History is its resemblance to travel writing. With ease and a degree of informality, the author conveys us anecdotally across the world's cultures from

John E. Willis, Jr., 1688: A Global History

John Willis takes a unique approach to writing global history by focusing on the world in a single year. More accurately, this is a history of the late 17th century in which the year 1688 serves as nexus, and justifies bringing together stories that he "stumbled across" while researching European-Chinese relations.
