Scattered across the plains are a number of stone medicine wheels. Some are extremely large, greater than 12 meters across. The term "Medicine Wheel" was first applied to the Big Horn Medicine Wheel in Wyoming, the most southern and the largest in existence. Big Horn is the largest and measures eighty meters across; on the June Solstice, a ray from the Sun cuts directly across it.

That lengthy, possibly-unnecessary and probably-tedious introduction is to explain the problem of the old hens. I've made a date in a few days to take my Cornish Cross chickens (which are outside in a temporary shelter, as pictured in this post) and probably about twenty of my old hens to the butcher.. Butchering the old hens—which range in ages from two to four or even five years old—is ...

Comments and Observations Sweet Talkin' Woman was recorded at Musicland Studios in Munich, Germany during the summer of 1977. It originally started life as a song called Dead End Street, having very different lyrics and arrangement.Probable lyrics that survived from that version can be heard in the opening of the third verse, "I've been livin' on a dead end street".
