### **2666, Part 1: The Part About The Critics by Roberto Bolaño**

The Part about the Critics comprises a deceptively funny, often caperish prelude that slowly unravels and sets the scene for the horrors that will fully emerge and dominate 2666. Part 1's 159 pages are underpinned by a not immediately apparent but growing and terrible sense of foreboding that will eventually erode all else.

This is a review of The Part about Amalfitano and NOT a review about 2666. As anyone who has even come close to picking up 2666 will know, Robert Bolano wrote it pretty much on his death bed. Days before he died he left instructions with his dear friend that this was to be published as 5 separate books released in 1 year increments.

### **2666, Part 2: The Part About Amalfitano by Roberto Bolaño**

The comments for part 1 were so good that I felt the need to re-read the rest of the book just to be able to keep up. I think Part 2 is about madness - or better yet what madness really is.

Part 1 is called "The Part about the Critics." It's not a misleading title. The opening act of 2666 is about four literary critics, three men and one woman, all friends, all European, all of whom are authorities on a mysterious German novelist named Archimboldi, whom none of them have ever met.

**Bolano's '2666': The Best Book of 2008 - TIME**

Despite the stunning inhumanity of this crime, and despite that the section about the murders makes up the largest part of 2666, very little is actually said about the women. That book reads like a numbing laundry list: name, age, occupation, clothing, way each woman was killed.
