Land of the Giants is an hour-long American science fiction television program lasting two seasons beginning on September 22, 1968, and ending on March 22, 1970. The show was created and produced by Irwin Allen .

Land of the Giants - Wikipedia

Land, an American inventor, physicist, and avid photography collector, invented a one-step process for developing and printing photographs that revolutionized photography. The Harvard-educated scientist got the germ of his groundbreaking idea when his young daughter asked why the family camera couldn't produce a picture immediately.

Edwin Land and Polaroid Photography - ThoughtCo

Land art, variously known as Earth art, environmental art, and Earthworks, is an art movement that emerged in the 1960s and 1970s, largely associated with Great Britain and the United States, but which included examples from many countries. As a trend "Land art" expanded boundaries of art by the materials used and the siting of the works.

Land art - Wikipedia

The South of the 1950s was the land of fire hoses aimed at black people who dared protest Jim Crow laws. Today, ... 1875-1975, puts it, "Segregation had to be invented. ...

Segregation in the South - The Atlantic

Land mines were invented in the 13th century, where there are records of its use by Song Dynasty China against the Mongols. The invention is attributed to Lou Qianxia.

Who invented the land mine - answers.com

This would not have been possible had not some clever man invented the "wireless" and an equally clever child suggested the idea of reaching the mysterious Land of Oz by its means. View in context It was called the Powder of Life," was the answer; "and it was invented by a crooked Sorcerer who lived in the mountains of the North Country.

Invented - definition of invented by The Free Dictionary

Though the definite origins of the word Palestine have been debated for years and are still not known for sure, the name is believed to be derived from the Egyptian and Hebrew word *peleshet*. Roughly translated to mean rolling or migratory, the term was used to describe the inhabitants of the land to the northeast of Egypt - the Philistines. The Philistines were an Aegean people - more closely ...

Origin of "Palestine" - Jewish Virtual Library

In an appendix to the book I provide a list of 500 invented languages sorted by date. Why 500? Why not all of them? Mostly because any attempt at completeness would be futile, but here is a more involved explanation of my criteria for inclusion in the list. You can sort this list by author, language name, or date by clicking on the column titles.
