### **Financial Analysis CS Sample Reports**

Once your balance sheet is complete, write a brief analysis for each of the three financial statements. The analysis should be short with highlights rather than in-depth analysis. The financial statements themselves (the income statement, cash flow projections, and balance sheet) should be placed in your business plan's appendices.

### **Writing the Business Plan: The Financial Plan**

Similar to writing a business plan, a financial analysis is a way for investors (or those new to your company) to understand who you are and what you do. This overview should include aspects of the business, as well as a snapshot of the industry, the company's motivations and an understanding of how the company stacks up to its competitors .
