I. THE SPIRITUAL PEDIGREE. IN WESTERN LANDS, science during the last fifty years has been trying to trace what is called the pedigree of man. In Germany, in France, in England, scientific men have tried to arrange the vast number of facts collected, so as to draw a genealogical tree and represent the way in which man has evolved from the fire-mist to the civilized human being.

Theosophy : Pedigree of Man by Annie Besant

Origin of the name Linda: Of various derivations, Linda is formed from the Spanish linda (beautiful, pretty). It is also a short form of any of the Germanic compound names containing the element lind (tender, soft, weak).
