### **2k to 10k: Writing Faster, Writing Better, and Writing ...**

I had read Rachel's blog post about how she went from writing 2k words a day to 10k, some time ago and decided I should try her book. One thing I liked was that she tells you right from the start that there is no RIGHT way to write. Everyone is different, and the things that work for one person, might not work for another.

### **2,000 to 10,000: How to Write Faster, Write Better, and ...**

2K to 10K: Writing Faster, Writing Better, and Writing More of What You Love By Rachel Aaron This is perhaps one of the most useful writing books I've come across so far. It is a very practical handbook, with some of the suggestions sounding so obvious that you feel ridiculous for not having done it sooner.

### **2K to 10K: Writing Faster (MORE WORDS, YO!) | Julia Vee**

The writing style was interesting and friendly (there were some typos though), like a very extended blog post, basically. If you're a professional writer hoping to live off your craft, this is a must read. review 2: This is a quick, worthwhile read if you're interested in writing faster. The author said the idea for the book came from a popular blog post of hers.
